

# ABURG REUNION 2015

SAX EXPLAINS THE 10 TOP REASONS FOR A REUNION HOST NOT TO PLAN FOR IT TOO EARLY

## SAX AND VICTORIA GO ALL OUT

One highlight of the reunion was the Friday night "talent show" after Sax and Victoria hosted dinner at their condo's party room. Woody wowed us with his baritone voice. Steve, Walt and Gary entertained us with stories and jokes that exceeded Sax's "2 minute" limit.

Ted read an excellent paper he prepared on the purpose and value of his army experiences and the important relationships with others he developed while serving with the 9th Engineers.

Lots of activities included, window/shopping on Worth Ave., visits to the

Okeehelée Nature Center and Norton Art Museum, a Duck Tour, a boat cruise, deep sea fishing with Sax, and Saturday night's surf and turf dinner/dance. **Many Thanks** to Sax and Victoria for hosting a great reunion!!
